Good organizational skills gained in academics and good management of work deadlines.

Soft skills

Good interpersonal skills and cooperative spirit; excellent listening skills and ability to adapt to different environmental and cultural context.

Technical skills

Architectural design

3D modeling - Rhino

CAD drafting - AutoCAD

Urban planning and analysis

Digital fabrication - 3D printing

Technical drawing and specifications

Physical model making

Adobe Creative Suite

Infographics and data visualization

Portfolio design

WORK EXPERIENCE

Participation in Design Competitions

Freelance

02/10/2024 – Current

Ranked 3rd in the design competition "Piazza Università" in Sassari. A space that contemplates a new public surface capable of elevating the quality of living and giving the place new values and new collective meanings. A revitalized public space as the outcome of a spatial reconfiguration capable of translating into a structuring place of urban life in its physical and socio-economic dimensions.

Internship

Raffaele Sarubbo Atelier

Address Rua dos Fanqueiros 65 3C, Lisboa, Portugal

01/03/2024 – 31/05/2024

Research on the theme of collective housing, particularly focusing on shared spaces, the extension of domesticity, the non-standardization of residences, and the relationship between domestic tasks and the spaces where they are performed; Development of drawings and both digital and physical 3D models for the design of a residential complex in Praia a Mare (CS); Elaboration of detailed architectural drawings for an apartment renovation project in Praia a Mare (CS); Production of design drawings for an architectural competition in Romanshorn, Switzerland.
