

CURRICULUM VITAE

FRANK RUSSELL, A.I.A.

Registered Architect State of Ohio #10270 1992, Member American Institute of Architects

Overview: 33 years as Faculty, Researcher and Administrator at the University of Cincinnati

Applied Research, Scholarship, Creative Work, Community Engagement, Knowledge Dissemination

Applied Research, Urban Design Projects, Plans, Studies conducted (57).....	p.2
Public Architecture and Design projects completed (18).....	p.4
Research and Technical Reports produced for public use (40).....	p.5
Major Scholarly and Public Conferences, Forums, and Workshops organized (10).....	p.6
Scholarly and Public Presentations organized (66).....	p.7
Charrettes, Competitions, and Exhibits organized (15).....	p.7
Scholarly Publications, Competitions, and Exhibits of Creative Work (12).....	p.9
Scholarly and Public Presentations (40).....	p.10
Funding awarded for university programs (\$3.2 million).....	p.12
Awards and Honors (13).....	p.15
Citations and Media Coverage (100+).....	p.25

Teaching.....p.16

100+ courses with 2500+ students instructed in Design and Innovation

Thesis and Dissertation Committees (30+)

Graduate Asst, Intern, Coop Students supervised in Applied Research and Design (100+)

Servicep.23

College and University Committee Service (21)

Civic Boards and Commissions Service (17)

ADMINISTRATIVE APPOINTMENTS

2017-2023	UC Forward, Program Director Directed all aspects of the UC Forward program to facilitate and advocate for experiential learning and cross-disciplinary outcomes within undergraduate University curriculum.
2002-2023	Niehoff Urban Studio, Program Director Directed all aspects of this interdisciplinary academic studio, organizing collaborative interdisciplinary community/university partnerships in research and design to address quality of life issues in the urban center.
1996-2017	Community Design Center, Director - Academic Directed all aspects of this applied research program and community design assistance center providing research and multi-disciplinary service in to benefit underserved community groups, non-profit organizations, and municipal agencies in southwest Ohio.

 2015 Fabe Family Foundation, Niehoff Urban Studio (\$15,000)
 2015 UC Forward Community Collaborative Course Award (\$10,000)
 2015 Niehoff Family Foundation, Niehoff Urban Studio (\$25,000)
 2015 Urban Land Institute, Cincinnati District, Funding Studio Competition Prize (\$5000)
 2015 East End Area Council, Funding Studio Competition Prize (\$2000)
 2015 Local Initiative Support Corporation – LISC (\$2500)
 2016 Niehoff Family Foundation, Niehoff Urban Studio (\$35,000)
 2016 Fabe Family Foundation, Niehoff Urban Studio (\$10,000)
 2016 Urban Land Institute, Cincinnati District, Funding Studio Competition Prize (\$5000)
 2016 Green Umbrella, Food System Assessment Research (\$3000)
 2017 Niehoff Family Foundation, Niehoff Urban Studio (\$25,000)
 2017 Fabe Family Foundation, Niehoff Urban Studio (\$15,000)
 2017 Standard Textile Corp, UC Forward (\$10,000)
 2017 Camping Education Foundation, UC Forward (\$5,000)
 2018 ULI/Neyer Student Competition Cash Prizes (\$5,000)
 2018 Uptown Consortium, UC Forward (\$50,000)
 2018 Niehoff Family Foundation, Niehoff Urban Studio (\$25,000)
 2018 Fabe Family Foundation, Niehoff Urban Studio (\$15,000)
 2019 ULI National Hines Student Competition Runner Up Cash Prize (\$10,000)
 2019 Camping Education Foundation, UC Forward (\$5,000) suspended C19
 2019 Cincinnati Zoo, UC Forward (\$5,000)
 2019 Cincinnati Zoo UC Forward Materials reimbursement (\$2000)
 2019 Kroger Corporation/ Zero Hunger Zero Waste Foundation (\$10000)
 2019 Fabe Family Foundation, Niehoff Urban Studio (\$5,000)
 2020 Taft Research Center contribution and Co-Sponsorship for UC Forward C-19 Faculty co-LAB: \$10,000, suspended C19
 2020 UHP Discover Program grant for undergraduate research: Bearcat Food Recovery Network: \$5,000
 2020 UC International: European Innovation Academy Travel Course \$4,800 (for 12 students) cancelled C19

Awards, Honors, and Achievements

Skidmore, Owings and Merrill Traveling Scholarship. Nominated for excellence in Design. Harvard University Graduate School of Design, Spring 1987

Harvard University Graduate School of Design, Archives of Student Work. Design work selected for inclusion in permanent collection. Spring 1987

Certificate of Appreciation, AIA Cincinnati for contribution and service to the Chapter as Chair of the Urban Design Committee, 1998

Certificate of Appreciation, AIA Cincinnati for contribution and service to the Chapter as Chair of the Urban Design Committee, 2000

Dean's Award, University of Cincinnati College of Design Architecture, Art, and Planning for creating and coordinating the Niehoff Urban Studio

President's Award, AIA Cincinnati for contribution and service to the Chapter as Chair of the Urban Design Committee, 2004

Preservation Award, Cincinnati Preservation Association, for architectural design and adaptive reuse of a blighted single family house for medical offices at 3836 Reading Road, with Full Spectrum Health Services and Alford Construction, 2004

Award for Most Outstanding Collaborative Effort, Community Development Corporations Association of Greater Cincinnati, for the Washington Park Housing Development Plan, with ReSTOC, Miami University Center for Community Engagement, 2005

Merit Award, Cincinnati Design Awards 10, AIA Cincinnati, for collaboration on the design of a storefront pizzeria and job training program at 1301 Vine Street, with University of Cincinnati School of Architecture and Interior Design and Miami University Center for Community Engagement, 2006

Just Community Award, Faculty. Outstanding contributions that promote the ideals of a just and caring community. University of Cincinnati, 2009

Award for Most Outstanding Collaborative Effort, Community Development Corporations Association of Greater Cincinnati, for Gabriel's Place, with LISC, Avondale Community Council, Cincinnati Community Action Agency, 2011

Social Economic Environmental Design (SEED) in Public Interest Design, Training completed 2012

TEACHING

1988-9 Harvard University Graduate School of Design, Teaching Assistant for Professor William Mitchell

University of Cincinnati

College of Design, Art, Architecture, and Planning Schools of Art, Architecture, Planning
Division of Experiential Learning and Career Education

Teaching Assistant

Spring 1990 Urban Design Studio with Professors Sam Noe and David Gosling
3rd and 4th year Planning and Architecture Students (15)
Program: Guidelines and Design for multi-unit Residential Development on Hillside sites in the Cincinnati Area.

Fall 1990 Urban Design Studio with Professor David Gosling
3rd-5th year Architecture and Planning Students (18)
Program: Urban Design and Architectural Alternatives for proposed developments in the Cincinnati Central Business District

Winter 1990 Urban Design Studio with Professor David Gosling

Spring 1991 3rd-5th year Architecture and Planning Students, (28)

Program: Master Plan Update for expanded facilities at the University of Toledo

Summer 1991 Urban Design Studio with Professor David Gosling

3rd-5th year Architecture and Planning Students (8)
Program: Streetscape and Building Design on Ludlow Avenue in Clifton

Instructor (October 1991- Present)

- Fall 1991 Urban Design Studio with Professor David Gosling
3rd-5th year Architecture Students (15)
Program: Nara Convention Hall Competition, Japan
- Summer 1992 Interdisciplinary Studio with Professors Henry Hildebrandt and Nick Chaparos
3rd-5th year Architecture, Interior Design, and Design Students (36)
Program: Oakley, Hyde Park, and East Hyde Park NBD Identity study and streetscape plan
- Fall 1992 Urban Design Studio with Professor David Gosling
3rd-5th year Architecture Students (8)
Program: Mariemont Gateway Urban Design Study
- Spring 1993 Urban Design Studio with Asst. Professor Brenda Lightner
3rd year Planning Students (8)
Program: Sustainable Community Urban Design Study
- Summer 1993 Interior Design Studio
2nd year Interior Design Students (13)
Program: Comprehensive Programming and Design Problem: Community Library
- Fall 1993+ Planning Graphic Communication with Asst. Professor John Decker
- Winter 1994 1st Year Urban Planning Students (30)
Program: Introduction to planning graphics and urban analytical techniques
- Spring 1994 Urban Planning Studio
2nd Year Urban Planning Students (10)
Program: Comprehensive plan for downtown housing, Cincinnati
- Fall 1994+ Planning Graphic Communication, Coordinator, with Kris Krider and Kelly Kolar
- Winter 1995+ 1st Year Urban Planning Students (30)
- Spring 1995 Program: Introduction to planning graphics and urban analytical techniques
- Fall 1995+ Planning Graphic Communication, Coordinator, with graduate assistants
- Winter 1996+ 1st Year Urban Planning Students (30)
- Spring 1996 Program: Introduction to planning graphics and urban analytical techniques
- Fall 1996 Seminar: Methods of Physical Analysis
1st Year Graduate Urban Planning Students (16)
Program: Introduction to planning graphics and urban analytical techniques
- Fall 1997 Planning Design IIIA/IVA
- Winter 1998 3rd-4th Year Urban Planning Students (15)
Program: Urban Planning Studio: Interdisciplinary studio with graphic design and industrial design students and faculty studying the location and design of a possible Olympic Village in Cincinnati 2012
- Winter 1999 Planning Design IIIA/IVA
3rd-4th Year Urban Planning Students (15)
Program: Urban Planning Studio: Urban Design Interventions in Billings MT, Green Bay WI, Greenfield WI, Topeka KS, Columbia MO, Lima OH, Eden Prairie MN based on the 1999 Midwest Regional Mayor's Institute for City Design.
- Winter 2000 Architecture- Urban Design Studio
4th year Architecture Students (20)
Program: Urban Design Studio: Urban Design Interventions in Kettering and Findlay, Ohio based on 2000 Midwest Regional Mayor's Institute for City Design.
- Spring 2001 Community Based Environmental Art Studio with Professor Robert Russell
Undergraduate and Graduate Fine Art and Art Education Students (10)
Program: Public Art and At-risk youth mentoring, Public art proposals to complement the UCCDC's Art in the Market Program
- Fall 2002 Niehoff Urban Studio Food and Quality of Life Project:
Urban redevelopment and grocery retail models. Studio coordinator with Menelaos Triantafillou, Planning; Jeff Tilman, Architecture, Udo Greinacher, Architecture.
Undergraduate and Graduate Architecture and Urban Planning Students
Program: New models of Urban Supermarkets and complementary urban design frameworks.
- Winter 2003 Niehoff Urban Studio Food and Quality of Life Project:
Urban redevelopment and grocery retail models. Studio coordinator with Menelaos Triantafillou, Planning; Jeff Tilman, Architecture

- Undergraduate and Graduate Architecture, Urban Planning, and Geography Students (25)
 Program: New models of Urban Supermarkets and complementary urban design frameworks
- Spring 2003 Niehoff Urban Studio Food and Quality of Life Project:
 Retail food uses and urban revitalization strategies. Studio coordinator with Menelaos Triantafillou, Planning; Andrew Jacobs, Planning; Colleen McTague, Urban Geography, Gil Born, Industrial Design
 Graduate Urban Planning, Urban Geography, and Industrial Design Students
 Program: Large scale retail food anchored redevelopment and implementation strategies including food accessibility research and design of the consumer environment.
- Summer 2003 Urban Design Studio: Scuola Estive Internationale, University of Sassari sede al Alghero, Sardinia.
 Visiting Instructor
 Undergraduate and Graduate Architecture and Urban Planning Students of host Italian University.
 Program: International design workshop for urban interventions in the town of Porto Torres, Sardinia
- Fall 2003 Niehoff Urban Studio Food and Quality of Life Project:
 Food in the life of public places. Studio coordinator and Instructor with Michael Pride-wells, Architecture, Mahyar Arefi, Planning, and Colleen McTague, Urban Geography
 Undergraduate and Graduate Architecture, Urban Planning, and Urban Geography Students (29)
 Program: Cultural, Economic, and Physical Aspects of Food Uses in Defining Urban Quality of Life.
- Winter 2004 Niehoff Urban Studio Food and Quality of Life Project:
 The role of food and entertainment establishment in street redevelopment: a placemaking approach.
 Studio coordinator and Instructor with Jeff Tilman, Architecture, Mahyar Arefi, Planning, Menelaos Triantafillou, Planning, and Colleen McTague, Urban Geography
 Undergraduate and Graduate Architecture, Urban Planning Students (36)
 Program: Entertainment and identity districts in Over-the-Rhine
- Spring 2004 Niehoff Urban Studio Food and Quality of Life Project:
 Integrating small-scale farming into planning, growth management, and landscape preservation. Studio coordinator and Instructor with Menelaos Triantafillou and Kiril Stanilov, Planning
 Graduate Urban Planning Students (29)
 Program: Small farm and landscape preservation, food economies.
- Fall 2004 Niehoff Urban Studio Over-the-Rhine Project: Education, entrepreneurship and urban revitalization in OTR. Studio coordinator and Instructor with Nnamdi Elleh, Architecture
 Undergraduate and Graduate Architecture and Urban Planning Students (13)
 Program: District urban design and new entrepreneurial high school design.
- Winter 2005 Niehoff Urban Studio Over-the-Rhine Project: Cultural education, play, and community development in OTR. Studio coordinator and Instructor with Nnamdi Elleh, Architecture
 Undergraduate and Graduate Architecture Students (12)
 Program: District urban design and new Cincinnati Black Theater
- Spring 2005 Niehoff Urban Studio Over-the-Rhine Project: Conflict resolution- The redevelopment of the Washington Park housing district and the new School for Creative and Performing Arts. Studio coordinator and Instructor with Michael Pride-Wells, Architecture, Virginia Russell, Architecture, Hank Hildebrandt, Architecture.
 Undergraduate and Graduate Architecture, Urban Planning, Interior Design Students (14)
 Program: Urban and housing design to facilitate resolution of conflicting visions for district development. Facilitating parent and staff visioning for alternative development scenarios for OTR public high school.
- Summer 2005 Urban Design Studio: Scuola Estive Internationale, University of Sassari sede al Alghero, Sardinia.
 Visiting Instructor
 Undergraduate and Graduate Architecture and Urban Planning Students from the University of Cincinnati with Italian Students of host.
 Program: International design workshop for urban interventions in the town of Porto Torres, Sardinia
- Fall 2005 Niehoff Urban Studio Over-the-Rhine Project: Urban District Form and Structure in the Basin and Over-the-Rhine. Studio Coordinator and Instructor. Collaborated with the LEAP international project (Laboratory for the Environmental and Architectural Project) of the University of Sassari (Sardinia) Milan Polytechnic, and Bari Polytechnic, Italy
 Undergraduate and Graduate Architecture and Urban Planning Students (22)
 Program: Visioning alternative large scale urban design frameworks for the basin area of Cincinnati's Center City.
- Winter 2006 Niehoff Urban Studio Over-the-Rhine Project: Transportation and Urban Form in Over-the-Rhine and Uptown. Studio Coordinator and Instructor, with Nnamdi Elleh, Architecture, and John Neihaus, Transportation Engineering.
 Undergraduate and Graduate Architecture, Urban Planning, and Engineering Students (29)
 Program: Alternative transportation systems and transit oriented development in OTR and Uptown.

- Spring 2006 Niehoff Urban Studio Over-the-Rhine Project: Green Urban Housing. Studio Coordinator and Instructor, with Virginia Russell, Architecture
Undergraduate and Graduate Architecture and Urban Planning Students (9)
Program: Sustainable urban design and architectural strategies for infill and rehabilitation in OTR
- Summer 2006 Urban Design Studio: Scuola Estive Internationale, University of Sassari sede al Alghero, Sardinia. Visiting Instructor
Undergraduate and Graduate Architecture and Urban Planning Students from the University of Cincinnati (6) with Italian Students of host.
Program: International design workshop for urban interventions in the town of Bosa, Sardinia
- Fall 2006 Niehoff Urban Studio Housing Project: Housing and urban form in Mt Auburn, Uptown. Studio Coordinator and Instructor, with Michaela Pride-Wells, Architecture
Undergraduate and Graduate Architecture and Urban Planning Students (17)
Program: Housing, public space, and community development strategies for the Mt Auburn neighborhood of Uptown
- Winter 2007 Niehoff Urban Studio Housing Project: University affiliated urban senior housing community in Uptown. Studio Coordinator and Instructor, with Martha Rees, Anthropology
Undergraduate Urban Planning and Anthropology Students
Program: Urban design intervention with new mid-high density senior housing community with programmatic and design interconnection with the abutting University campus.
- Spring 2007 Niehoff Urban Studio Housing Project: Affordable Housing in Uptown. Studio Coordinator and Instructor, with Nnamdi Elleh, Architecture
Graduate Architecture Students (5)
Program: Site Design and Architectural design for cluster affordable housing and complementary uses in Mt Auburn.
- Summer 2007 Urban Design Studio: Scuola Estive Internationale, University of Sassari sede al Alghero, Sardinia. Visiting Instructor
Undergraduate and Graduate Architecture and Urban Planning Students from the University of Cincinnati with Italian Students of host. Program: International design workshop for urban interventions in the town of Alghero, Sardinia
- Fall 2007 Niehoff Urban Studio Housing Project: Housing and urban form in Corryville, Uptown. Studio Coordinator and Instructor, with Michaela Pride-Wells, Architecture, and Martha Rees, Anthropology
Undergraduate and Graduate Architecture, Urban Planning, Engineering, and Anthropology Students (42)
Program: Housing, public space, and community development strategies for the Corryville neighborhood of Uptown
- Winter 2008 Niehoff Urban Studio Housing Project: Uptown Urban issues and Neighborhood center redevelopment in Avondale. Studio Coordinator and Instructor, with Marshall Brown, Architecture
Undergraduate and graduate Architecture and Urban Planning Students (31)
Program: Research in broad urban issues related to Cincinnati and Uptown. Mixed use urban design plans for the Burnet Avenue Business District in Avondale.
- Spring 2008 Niehoff Urban Studio Housing Project: University affiliated urban senior housing community in Uptown. Studio Coordinator and Instructor, with John Hancock, Architecture, Pat Mezinskas, Nursing, and Karen Machleit, Business Graduate and undergraduate Architecture and Business-Marketing Students (12)
Program: Urban design intervention with new mid-high density senior housing community with programmatic and design interconnection with the abutting University campus.
- Summer 2008 Urban Design Studio: Scuola Estive Internationale, University of Sassari sede al Alghero, Sardinia. Visiting Instructor
Undergraduate and Graduate Architecture and Urban Planning Students from the University of Cincinnati with Italian Students of host.
Program: International design workshop for urban interventions in the town of Alghero, Sardinia
- Fall 2008 Niehoff Urban Studio Great Streets and Gateways Project: The Madison-MLK Corridor Design and Camp Washington Community Design. Studio Coordinator and Instructor, with Richard Miller, Engineering
Undergraduate Urban Planning and Engineering Students (55)
Program: Urban design interventions within urban development corridor and community design proposals for Camp Washington.
- Winter 2009 Niehoff Urban Studio Great Streets and Gateways Project: The Madison-MLK Corridor Design and Madisonville Community Design. Studio Coordinator and Instructor, with Nnamdi Elleh, Architecture, Richard Miller, Engineering, and Beth Honadle, Political Science
Undergraduate and Graduate Architecture, Urban Planning, Engineering, Political Science Students (62)
Program: Community revitalization plans for Madisonville and urban design simulations for the Red Bank corridor

- Spring 2009 Niehoff Urban Studio Great Streets and Gateways Project: The Madison-MLK Corridor Design and Oakley – Millworks site redevelopment. Studio Coordinator and Instructor, with Michael Pride, Architecture and Richard Miller, Engineering
Undergraduate and Graduate Architecture and Engineering Students (40)
Program: Community revitalization plans for Madisonville and urban design simulations for the Millworks site in Oakley.
- Spring 2009 Honors Seminar: Urbanism: Observing the City, Seminar on Theory and Methods of observing, describing, and representing the city. Instructor. Honors Course
Undergraduate and Graduate, Architecture, Planning and other (20)
- Summer 2009 Urban Design Studio: Scuola Estive Internationale, University of Sassari sede al Alghero, Sardinia. Visiting Instructor
Undergraduate and Graduate Architecture and Urban Planning Students of host.
Program: International design workshop for urban interventions in the town of Bosa, Sardinia
- Fall 2009 Niehoff Urban Studio Great Streets and Gateways Project: I-71 and I-75 corridors. Studio Coordinator and Instructor, with Richard Miller, Engineering, Michael Pride Architecture
Undergraduate Urban Planning, Architecture, and Engineering Students (70)
Program: Urban design interventions within Mill Creek Expressway and I-71.
- Winter 2010 Niehoff Urban Studio Great Streets and Gateways Project: I-71 and I-75 corridors. Studio Coordinator and Instructor, with Richard Miller, Engineering, Michael Pride, Architecture, Beth Honadle, Political Science.
Undergraduate Urban Planning, Architecture, and Engineering and Political Science Students (70)
Program: Urban design interventions within Mill Creek Expressway and I-71.
- Spring 2010 Niehoff Urban Studio Great Streets and Gateways Project: Future Scenarios for the Mill Creek Watershed. Studio Coordinator and Instructor with Marissa Zapata, Juliana Silveira, and Carolina Segura, Planning
Graduate Planning Students (40)
Program: Future planning for multi-jurisdictional Mill Creek Watershed around the I-75 corridor.
- Spring 2010 Urban Planning Seminar: Urbanism: Observing the City, Seminar on Theory and Methods of observing, describing, and representing the city. Instructor
Undergraduate and Graduate, Planning Students (10)
- Summer 2010 Urban Design Studio: Scuola Estive Internationale, University of Sassari sede al Alghero, Sardinia. Visiting Instructor
Undergraduate and Graduate Architecture and Urban Planning Students of host. Program: International design workshop for urban interventions in the town of Alghero, Sardinia
- Fall 2010 Niehoff Urban Studio Great Streets and Gateways Project: Envisioning a Sustainable Future for the Cincinnati Museum Center and its District. Studio Coordinator and Instructor, with Richard Miller, Engineering, Michael Zaretsky, Architecture
Undergraduate Urban Planning, Architecture, Engineering Students (70)
Program: Urban design, Engineering, and architecture interventions for sustainability for the Cincinnati Museum Center
- Winter 2011 Niehoff Urban Studio Great Streets and Gateways Project: Envisioning a Sustainable Future for the Cincinnati Museum Center and its District. Studio Coordinator and Instructor, with Richard Miller, Engineering,
Undergraduate Urban Planning, and Engineering Students (70)
Program: Urban design, Engineering, and architecture interventions for sustainability for the Cincinnati Museum Center
- Spring 2011 Niehoff Urban Studio Great Streets and Gateways Project: Envisioning a Sustainable Future for the Cincinnati Museum Center and its District. Studio Coordinator and Instructor, with Richard Miller, Engineering,
Undergraduate Engineering Students (30)
Program: Engineering interventions for sustainability for the Cincinnati Museum Center
- Spring 2011 Honors Seminar: Sustainable Urbanism, Seminar on Theory and Methods of for measuring sustainable communities.
Undergraduate and Graduate, Architecture, Planning and other (12)
- Spring 2011 Capstone Graduate Planning Studio: Casino District and Pendleton Development Plan, Instructor
Graduate Planning Students (5)
- Fall 2011 Niehoff Urban Studio Place Matters Project: Covington Center City Action Plan. Studio Coordinator and Instructor, with Richard Miller, Engineering
Undergraduate Urban Planning, and Engineering Students (78)
Program: Comprehensive Planning, Urban design and Engineering proposals for Covington Kentucky working with the City and professional consultants

Winter 2012	Niehoff Urban Studio Place Matters Project: Covington Center City Action Plan. Studio Coordinator and Instructor, with Richard Miller, Engineering and Elissa Yancey Journalism Undergraduate Urban Planning, Engineering, Journalism Students (78) Program: Comprehensive Planning, Urban design, Engineering, and Journalism proposals for Covington Kentucky working with the City and professional consultants
Spring 2012	Niehoff Urban Studio Place Matters Project: Covington Center City Action Plan. Studio Coordinator and Instructor, with Richard Miller, Engineering Undergraduate Engineering Students (47) Program: Engineering implementation proposals for Covington Kentucky working with the City and professional consultants
Spring 2012	Honors Seminar: Sustainable Urbanism, Seminar on Theory and Methods of for measuring sustainable communities. Undergraduate and Graduate, Architecture, Planning and other (6)
Fall 2012	UC Forward Inquiry to Innovation Seminar (HNRS2031): Instructor, Undergraduate Engineering, Industrial Design, Communications Students (11) Instructor Program: Urban Innovation Projects for Uptown
Fall 2012	Honors Seminar: Observing the City, Instructor, Undergraduate Engineering, Bio-med, Fashion, Interior Design, Urban Planning, Criminal Justice Students (19) Program: Urbanism studies with a travel experience to Brazil
Fall 2012	Niehoff Urban Studio Movement in the City Project: Bus Rapid Transit and Bikeways, Studio coordinator with Richard Miller, Engineering, Undergraduate Engineering Students (44) Program: Research for Bikeway Design
Spring 2013	Niehoff Urban Studio Movement in the City Project: Bus Rapid Transit and Bikeways, Studio coordinator and instructor with Richard Miller, Engineering, Danilo Palazzo, Planning, Mafe Ramirez, Transportation Engineering Undergraduate Engineering and Urban Planning Students (55) Program: Proposals for regional BRT and three area bike trails
Fall 2013	UC Forward Inquiry to Innovation Seminar (HNRS 2031), Instructor, Undergraduate Engineering, Computer Science, NeuroScience , Communications Students (10) Program: Urban Innovation Projects for Uptown
Fall 2013	Plan Making Workshop: North Fairmount Comprehensive Plan, Instructor with Danilo Palazzo and Ron Miller, Planning Graduate Planning Students (32) Program: Comprehensive Planning with community partner
Fall 2013	Niehoff Urban Studio Movement in the City Project: Wasson Way, Studio coordinator with Richard Miller, Engineering, Undergraduate Engineering Students (43) Program: Research for Bikeway Design
Spring 2014	Niehoff Urban Studio Movement in the City Project: Wasson Way, Studio coordinator and instructor with Richard Miller, Engineering, Colleen McTague, Geography, Mary Lynn Boorn, Real Estate, Stephen Diko, Planning Undergraduate Engineering, Urban Planning, Geography, Urban Studies Students (82) Program: Comprehensive development plan for Wasson Way Bike/LRT corridor
Fall 2014	UC Forward Inquiry to Innovation Seminar (HNRS2031): Rethinking Burnet Woods, Instructor with Cory Christopher, UC Forward, Undergraduate Engineering, Computer Science, Nursing, BioMed, AeroSpace , Math Students (15) Program: Innovation projects for Burnet Woods
Fall 2014	Plan Making Workshop: Rethinking Burnet Woods, Instructor with Danilo Palazzo and Vikas Mehta, Planning Graduate Planning Students (36) Program: Comprehensive Plans for Burnet Woods and Uptown
Fall 2014	Niehoff Urban Studio Building Healthy and Resilient Places Project- Rethinking Burnet Woods, Studio coordinator with Richard Miller, Elizabeth Devendorf, Engineering, Undergraduate Engineering Students (34) Program: Intervention Concepts for Burnet Woods
Fall 2014	Service Learning Collaboratory (SLCE5001/SLCE7000): Urban Land Institute Competition Studio: Building Healthy and Resilient Places- Walnut Hills NBD. Instructor with Shaun Bond, Real Estate Graduate and Undergraduate Real Estate, Architecture, Planning Students (12) Program: Mixed-use redevelopment scenarios for historic urban neighborhood center

Spring 2015	Niehoff Urban Studio Building Healthy and Resilient Places Project- Rethinking Burnet Woods, Studio coordinator and instructor with Richard Miller, Elizabeth Devendorf, Engineering, Anton Harfmann, Architecture, Dave Gamstetter, Ana Ozaki, Horticulture Undergraduate Engineering, Horticulture, Urban Planning, Architectural Engineering Students (77) Program: Design interventions in Burnet Woods and surrounding Context. https://www.bizjournals.com/cincinnati/blog/2015/04/how-could-burnet-woods-become-cincinnati-s-next.html
Spring 2015	Service Learning Collaboratory(SLCE5001/SLCE7000): Flood Resilient Infill Housing Competition Studio East End. Instructor with Michael Sharp SLCE Graduate and Undergraduate Architecture Students (24) Program: Innovation for new housing in a flood prone neighborhood
Fall 2015	Service Learning Collaboratory(SLCE7000): Creative Placemaking Competition Studio. Instructor Graduate Architecture Students (5) Program: Placemaking Innovation for urban neighborhoods
Fall 2015	Service Learning Collaboratory(SLCE5001/SLCE7000): Urban Land Institute Competition Studio: Building Healthy and Resilient Places- Burnet Avenue- Avondale. Instructor with Shaun Bond, Real Estate Graduate and Undergraduate Real Estate, Architecture, Planning Students (25) Program: Mixed-use redevelopment scenarios for historic urban neighborhood center
Fall 2015	Niehoff Urban Studio Building Healthy and Resilient Places Project- Healthy Neighborhood Business Districts Studio coordinator with Richard Miller, Elizabeth Devendorf, Jim Swanson, Engineering, Anton Harfman, Architectural Engineering Undergraduate Engineering Students (51) Program: Modeling Healthy Neighborhood Business Districts
Spring 2016	Service Learning Collaboratory(SLCE5001): Creative Placemaking Competition Studio. Instructor with Michael Sharp SLCE Graduate and Undergraduate Architecture and Communication Students (9) Program: Placemaking Innovation for urban neighborhoods
Spring 2016	Niehoff Urban Studio Building Healthy and Resilient Places Project- Healthy Neighborhood Business Districts Studio coordinator and Instructor with Richard Miller, Jim Swanson, Elizabeth Devendorf, Engineering, Anton Harfman, Architectural Engineering Undergraduate Engineering, Architectural Engineering, and Urban Planning Students (79) Program: Modeling Healthy Neighborhood Business Districts
Fall 2016	Service Learning Collaboratory (SLCE5001):Urban Land Institute Competition Studio: Building Healthy and Resilient Places- Cincinnati Riverfront. Instructor with Shaun Bond, Real Estate Graduate and Undergraduate Real Estate, Architecture, Planning Students (25) Program: Mixed-use redevelopment scenarios for riverfront brownfield site
Spring 2017	Niehoff Urban Studio Building Healthy and Resilient Places Project- Intentional Communities in Uptown. Studio coordinator and Instructor with Barry Kew, Landscape Architecture Undergraduate Urban Planning and Urban Studies Students (29) Program: Envisioning intentional housing communities for challenged populations
Fall 2017	UC Forward Inquiry to Innovation Seminar (PD2030) , Standard Textile Challenge- Instructor, Undergraduate Engineering, Art History, A&S Students (14) Program: Standard Textile Corp - Window Innovation
Fall 2017	UC Forward Inquiry to Innovation Seminar (PD2030), Urban Wilderness Project Instructor with Kari Dunning, CAHS Undergraduate Engineering, Biology, A&S Students (23) Program: Youth Outdoor Education- Camping Education Foundation
Fall 2017	Service Learning Collaboratory (SLCE5001/ SLCE7000): Urban Land Institute Competition Studio: Building Healthy and Resilient Places- Bond Hill/ Grt Cin.Port Authority. Instructor with Mike Eriksen, Real Estate Graduate and Undergraduate Real Estate, Architecture, Planning Students (34) Program: Mixed-use redevelopment scenarios for historic urban neighborhood center
Spring 2018	Graduate Service Learning Collaboratory (SLCE7000): National Hines Urban Land Institute Competition Studio, Instructor of recognized team. Other faculty Conrad Kickert, Planning and Lydia Jacobs-Horton, Real Estate Graduate Real Estate, Landscape Architecture, Architecture, Planning Students (15) Program: Mixed-use redevelopment scenarios for Toronto lakefront https://americas.uli.org/press-release/final-four-city-building-teams-cornell-university-georgia-institute-technology-university-maryland-advance-uli-hines-student-competition/
Spring 2018	Service Learning Collaboratory(SLCE5001): FC Cincinnati – Rise Together,

Fall 2018	<p>Instructor with Michael Sharp and Erik Alanson, ELCE Undergraduate Communication and other A&S Students (16) Program: Community engagement with FC Cincinnati and Carson Elementary School Service Learning Collaboratory (SLCE5001/ SLCE7000):Urban Land Institute Competition Studio: Building Healthy and Resilient Places- Riverfront/ City of Cincinnati. Instructor with Mike Eriksen, Real Estate Graduate and Undergraduate Real Estate, Architecture, Planning Students (32) Program: Mixed-use redevelopment scenarios for city riverfront parking lot</p>
Fall 2018	<p>UC Forward Inquiry to Innovation Seminar (PD2030), Urban Wilderness Project with CEF and Innovating Change with BBB Instructor with Kari Dunning, CAHS Undergraduate Engineering, Biology, A&S Students (17) Program: Youth Outdoor Education- Camping Education Foundation, Youth Ethics Curriculum – Better Business Bureau</p>
Spring 2019	<p>Graduate Service Learning Collaboratory (SLCE7000):National Hines Urban Land Institute Competition Studio Instructor of finalist team. Other faculty Conrad Kickert, Planning and Lydia Jacobs-Horton, Real Estate Graduate Real Estate, Architecture, Planning Students (18) Program: Mixed-use redevelopment scenarios for Cincinnati CBD https://americas.uli.org/teams-representing-the-university-of-cincinnati-university-of-texas-at-austin-massachusetts-institute-of-technology-and-harvard-university-advance-in-uli-hines-student-competition/</p>
Spring 2019	<p>UC Forward Inquiry to Innovation Honors Seminar (PD2030), Instructor with Michael Sharp, ELCE Undergraduate Engineering, Design, A&S Students (30) Program: Cincinnati Zoo Challenge – Animal Enrichment Toys</p>
Spring 2019	<p>Service Learning Collaboratory (SLCE5001): Saturday Hoops Instructor with Michael Sharp, ELCE Undergraduate Communication and other A&S Students (33) Program: Community engagement with Youth sports non-profit</p>
Fall 2019	<p>UC Forward Inquiry to Innovation Seminar (PD2030): “Zero Hunger/Zero Waste” Undergraduate: 8 different disciplines including Business, Med Science, Design, BioMed, Architecture Engineering, Philosophy, Biology (18) Program: Innovation projects for Campus Food Rescue, Partner: Kroger ZHYZ Foundation, press: https://www.uc.edu/news/articles/2020/02/n20893860.html, https://www.uc.edu/news/articles/2020/04/n20911136.html</p>
Fall 2021	<p>UC Forward Inquiry to Innovation Seminar (PD2030): “Zero Hunger/Zero Waste” (1st half), “Sustainable Aviation Fuel” (SAF)(2nd half) Instructor with Todd Foley Undergraduate: 11 different disciplines including Med Science, Design, BioMed, Political Science, Architecture, Environmental Engineering, Electrical Engineering (15) Program: Innovation projects for Campus Food Rescue and SAF advocacy- Partners: Kroger ZHYZ Foundation/ General Electric Aviation</p>
2019-20	<p>EEP: Bearcat Food Recovery Network Undergraduate students from multiple disciplines (20) Designing and implementing a campus food rescue and redistribution program</p>
Visiting Critic	<p>Visiting for F19 SLCE5001: Innovating Change, BBB youth ethics curriculum development and S20 SLCE5001: “Sustainability and Living Futures in Burnet Woods” –with the Camping Education Foundation (CEF)</p> <p>S20 PLAN7009Plan Making Workshop: “The Hearts of Price Hill” This required Graduate level Urban Planning Class was led by School of Planning Prof. Conrad Kickert</p>
1990-Present	Jury Critic for a number of Architecture, Interior Design, and Urban Planning Studios
1990-Present	Independent Study Advisor, Undergraduate and Graduate Thesis Advisor or Reader for more than 30 students in the Architecture and Urban Planning Programs
